

SOUMIC KUNDU PAUL

Electrical & Electronic Engineering Undergraduate
AI & Technology Enthusiast

Phone: +8801644892469 | Email: soumic44@gmail.com | LinkedIn: soumic-paul

CAREER OBJECTIVE

Results-driven Electrical & Electronic Engineering undergraduate blending technical expertise with commercial thinking, backed by national-level business case competition experience and large-scale event leadership. Eager to contribute analytical rigor and cross-functional collaboration to a Commercial program.

LEADERSHIP & EXTRA CURRICULAR ACTIVITIES

Assistant Director – Administration | **AUST Robotics Club** *January 2025 – Present*

- Spearheaded the planning and execution of **2 major robotics events**, leading coordination of **200+ participants** and **70+ volunteers**.
- Managed vendor operations and event logistics from planning through on-ground delivery, ensuring seamless execution at scale.

Student Ambassador | **Tickify** *September 2026 – Present*

- Represent Tickify as a Student Ambassador, promoting the platform and its initiatives across the university community.
- Drive student awareness and engagement through on-campus promotion and peer outreach.

PROJECTS

- **Footstep Power Harvesting System** | **Project Lead**
  Led the development of a **piezoelectric-based energy harvesting system** that converts footstep pressure into usable electrical energy.
- **Personal Portfolio Website | Designer & Developer | https://soumic-paul.vercel.app**
  Designed and developed a responsive, interactive portfolio website using **HTML, CSS, JavaScript, and AI-assisted vibe coding**, featuring project showcases, animations, certifications, and leadership experience; deployed via **Vercel**.

ACHIEVEMENTS & COMPETITIONS

- Finalist **– PRISM AI Creative Awards 2026 | Advertising Category**
- National Round Qualifier**– HSBC Business Case Competition 2025**

EDUCATION

Bachelor of Science in Electrical & Electronic Engineering *2023 – Present*
Ahsanullah University of Science & Technology (AUST)
